

Pussydo®

Litter Tray

No more tracking!
No more urine smell!
Saving you time & money

The Secret to Best Litter Management

When the litter is used, it breaks down falling into the base tray. No need to toss out unused product. You only empty the bottom used litter. With no urine smells, tracking and fresh natural litter - your cat will be healthy and content.

Directions for Use:

Place Pussydo® Cat Litter into the sieve tray to a depth of 2.5cm.

Scoop: Scoop out solids daily with slotted scoop.

Shake: Shake the tray to allow the wet litter to fall into the bottom tray.

Top up the tray with more Pussydo® if needed. Empty bottom tray as required.

Wash: Wash the tray when required using a mild soap.

Quick, Easy & Very Effective!
